General Counsel

Attached is a letter from [REDACTED] to General
Donovan concerning the application of [REDACTED]

25X1A

25X1A [REDACTED] I have acknowledged General Donovan's covering letter
to me. I spoke to [REDACTED] in New York yesterday, and I
have known her brother, [REDACTED] for many years.

25X1A

25X1A

25X1A [REDACTED] has at present an application for employment with
the American Committee for the Liberation of the Peoples of
the U.S.S.R., but she is not at all sure she wishes to go to
Frankfurt with them although she has no objection to an over-
seas assignment. She has no American college degree, and her
European education completed the gymnasium level. She lived
twelve years in Yugoslavia where she got part of her education
and has lived in various other parts of Europe. Her work with
the FBI (about six months) was on Serbian monitoring. She has
no other particular professional or Governmental experience,
but she is personable and appears intelligent. She would be
willing, although not eager, to go back to monitoring work.
I understand she is divorced from her husband.
